# OVERSTOCKED—TEN DAYS' SALE

We have done more business this Fall than ever before. Yes, made a little money and a good gain. It's this: We have bought heavier and overstocked. These goods must be paid for before January 1st. We have not made money enough to half take care of the advance on cost of stock and now having more goods makes it doubly strenuous. We do not intend to let this sale interfere in any way with our Christmas business. Our assortment at that time will include many things that we have never shown. What we are going to do and do right now, is to put prices onto everything in our stock where we have a surplus. We are to withdraw the sale of any article as soon as quantity advertised is sold or stock reduced. The first five days of this sale will be your best chance to get real bargains.
